

THREE TALES FROM THE BAR OF JUSTICE WITHOUT COMMENT

One of Bandits, One of a Thief, One of a Mere Shoplifter.

(From the Chicago Tribune.)
Justice is a middle aged dame who goes about blindfolded. In one hand she carries a keen double edged sword. In the other she carries a pair of scales that are presumed to be nicely adjusted. Being blindfolded, she may not notice if a half brick is dropped in the balance.

To illustrate, here are three stories of the courts. They are called:
"The men who robbed a hospital."
"The man who stole \$19,000."
"The woman with four children."

The Men Who Robbed a Hospital.
Charles Seales and his brother, James, and Ralph Rollman, a chauffeur, were acquitted of connection with the robbery of St. Luke's hospital on January 3.

On that date two men, riding in a taxicab driven by Rollman, were taken to St. Luke's. They ran into the hospital. One held up the nurses and the cashier with revolvers and the other rifled the cash box. They escaped in the taxi.

Rollman, arrested, confessed that he had been engaged to carry the robbers. Then he had a change of heart and declared his confession was untrue and made under duress.

The Seales brothers were arrested. Then Sidney McGuire, traced to Canada, was brought back. He confessed and promised to turn state's evidence if he were considered by the state's attorney. He was given no immunity but told that no opposition would be made against his request for a parole after he entered jail.

He took the stand and charged that the Seales brothers planned the robbery, that Rollman was a conspirator and that he and Paul Fox, now at large, held up the hospital. A jury found the brothers and Rollman not guilty.

And McGuire must go to the penitentiary.

The Man Who Stole \$19,000.
Friends of Franklin K. Jackson, who has admitted that he stole \$18,000 from Northwestern University, appeared in the state's attorney's office.

One of the men was William A. Dyche, business manager of the university that Jackson robbed, and the other was M. L. Jenks, manager of the American Surety Company, which was compelled to forfeit \$7,500 because of Jackson's embezzlement.

"We have come," said Mr. Dyche, with a show of emotion, "to ask that the charges be dropped. We are of the opinion that Jackson has made a mistake and has suffered."

"I will probably try to have Jackson plead guilty to the indictment," said State's Attorney Hoyle, "and have him executed."

The Story of a Woman with Four Children.

Mrs. Anna Muraski, who admits she stole a waist and a pair of stockings from a department store, appeared before Judge Caverly.

In her arms she bore a baby nine months of age. Three others clung to her skirts. Her bosom heaved as she dwelt between thoughts of iron bars and her children.

Sheriffman said she had been arrested.

Had Terrible Pains in Kidneys and Back.

Dear Mr. Editor—I want to write you about "Anuric." I was very sick, could hardly be up. I was in bed most of the time. Had terrible pains in my kidneys and back, so much so that I had to scream sometimes when I was sitting down and wanted to get up, the pain was so great. I had tried a well-known kidney medicine but it didn't help me. I heard of Dr. Pierce's Anuric Tablets so I thought I would try them. I took only one box of the Tablets, and my back is now free from pain and I can work and take care of my family. I feel I cannot say enough for this medicine. Sincerely, Mrs. Wm. KELLER.

NOTE: This "Anuric" is adapted especially for kidney complaints and diseases arising from disorders of the kidneys and bladder, such as backache, weak back, rheumatism, dropsy, congestion of the kidneys, inflammation of the bladder, scalding urine and urinary troubles. The physicians and specialists at Dr. Pierce's Great Institution, at Buffalo, N. Y., have thoroughly tested this prescription and have been with one accord successful in eradicating these troubles, and in most cases absolutely curing the diseased kidneys. Patients having once used "Anuric" at Dr. Pierce's Invalids' Hotel, have repeatedly sent back for more. Such a demand has been created that Dr. Pierce has decided to put "Anuric" in the drug stores of this country, in a ready-to-use form. If not obtainable send one dime by mail to Dr. Pierce for trial package or 50 cents for full treatment.

Dr. Pierce's Golden Medical Discovery is a blood cleanser and alternative that starts the liver and stomach into vigorous action. It thus assists the body to make rich, red blood, which feeds the heart, serves, brain and organs of the body. You feel clean, strong and strenuous.
